This Key Scheme Information Document (KSID) provides you with key information about SHKP MPF Employer Sponsored Scheme (Scheme), which forms part of the offering document. You should not make investment decisions based solely on this KSID. For details of the Scheme, please refer to the MPF Scheme Brochure (MPF Scheme Brochure) and the trust deed (Trust Deed) of the Scheme. Why is MPF important to you?

- The Mandatory Provident Fund (MPF) System aims at assisting the working population of Hong Kong to accumulate retirement savings by making regular contributions. Employees (full time or part-time) and self-employed persons aged 18 to 64, except the exempt persons, are required to participate in an MPF scheme.
- The Scheme is an employer sponsored scheme established for the employees of the Sun Hung Kai Properties group, who may apply to enrol in the Scheme by submitting the completed Membership Enrolment Form to the Trustee. The Membership Enrolment Form and MPF Scheme Brochure can be obtained from your employer.

In addition, the MPF Scheme Brochure can be downloaded through

<https://www.shkp.com/en-US/work-with-us/shkp-mpf-employer-sponsored-scheme>

- To facilitate your retirement planning, you may use MPFA’s Retirement Planning Calculator to calculate:
 - your retirement needs;**
 - your projected MPF and other retirement savings upon your retirement; and**
 - how much you need to save to meet your retirement needs.**

<https://bit.ly/3o1qU9C>

- If you are an employer, you need to know your MPF obligations, including enrolling new employees, making contributions and reporting terminated employees. An associated company of the Principal Employer may become a participating employer of the Scheme by submitting the completed Employer Participation Agreement to the Trustee. If you have any questions relating to your MPF obligations as a participating employer of the Scheme, please contact SHKP MPF Hotline: 3183 3183. An Employer Participation Agreement can be obtained via:

SHKP MPF Hotline: 3183 3183

Less than HK\$7,100	Relevant income x 5%	Not required
HK\$7,100 to HK\$30,000	Relevant income x 5%	Relevant income x 5%
