Why is MPF important to you?

The Mandatory Provident Fund (MPF) System aims at assisting the working population of Hong Kong to accumulate retirement savings by making regular contributions. Employees (full time or part-time) and self-employed persons aged 18 to 64, except the exempt persons, are required to participate in an MPF Scheme. To enrol in **the Scheme**, please submit the completed application form to us. The application form can be downloaded via the QR code:

(EE enrol)

(SEP enrol)

To facilitate your retirement planning, you may use MPFA's retirement calculator to calculate:

- i) your retirement needs;
- ii) your projected MPF and other retirement savings upon your retirement; and
- iii) how much you need to save to meet your retirement needs.

(MPFA Cal)-E

If you are an employer, you need to know your MPF obligations, including enrolling new employees, making contributions and reporting terminated employees. If you have any questions relating to your MPF obligations as an employer, please contact us. To become a participating employer of **the Scheme**, please submit the completed application form to us. The application form can be downloaded via the QR code:

Your MPF contributions

If you are an employee (full time or part-time), both you and your employer are required to make regular MPF contributions for you, based on your "relevant income" as follows:

Monthly Relevant Income	Mandatory Contribution Amount	
	Employer's Contributions	Employee's Contributions
Less than HK\$7,100	Relevant income x 5%	Not required
HK\$7,100 - HK\$30,000	Relevant income x 5%	Relevant income x 5%
More than HK\$30,000	HK\$1,500	HK\$1,500

"Relevant income" refers to wages, salaries, leave pay, fees, commissions, bonuses, gratuities, perquisites or allowances, expressed in monetary terms, paid or payable by an employer to an employee, but excludes severance payments or long service payments under the Employment Ordinance.

All mandatory contributions are immediately vested in you, except for the MPF derived from the employer's contributions for offsetting severance payments or long service payments.

If you are self-employed, you are required to make MPF contributions as follows:

Relevant Income		Self-employed Person's Contributions
Annual	Monthly Average	
Less than HK\$85,200	Less than HK\$7,100	Not required
HK\$85,200 - HK\$360,000	HK\$7,100 - HK\$30,000	Relevant income x 5%
More than HK\$360,000	More than HK\$30,000	HK\$360,000 x 5% = HK\$18,000 per year OR HK\$30,000 x 5% = HK\$1,500 per month

Whether you are an employee or self-employed, you may also **consider making additional contributions** (i.e. regular and non-regular voluntary contributions (VC), tax deductible voluntary contributions (TVC)) and special voluntary contributions (e.g. Flexi Retirement Contributions) in light of your personal needs.

How to Open an Account	Regular/Non-Regular Voluntary Contributions	Tax Deductible Voluntary Contributions	Special Voluntary Contributions
	<p>For employees, your employer helps you open an employee account under the MPF scheme chosen by your employer.</p> <p>For self-employed persons, you select your own MPF scheme and open a self-employed person account on your own.</p> <p>You can make VC to a sub-account dedicated to VC contributions under the above respective account(s).</p>	<p>You select your own MPF scheme and open an account on your own</p> <p>(Note: While TVC is offered under the Scheme, some MPF schemes do not provide TVC accounts. You may check the MPF schemes which offer TVC accounts on MPFA's Trustee Service Comparative Platform (tscplatform.mpfa.org.hk/scp/eng).</p>	<p>You select your own MPF scheme and open an account on your own</p> <p>(Note: While Flexi Retirement Contribution (FRC) is offered under the Scheme, some MPF schemes do not provide SVC accounts. You may check the MPF schemes which offer SVC accounts on MPFA's Trustee Service Comparative Platform.)</p>

For details of different types of contributions, you may refer to the **MPF scheme brochure for the Scheme** - Administrative Procedures Section which is available via the QR code:

To help you make comparisons across different MPF funds and schemes, you may refer to the information on the MPF Fund Platform via the link: https://mfp.mpfa.org.hk/eng/mpp_index.jsp

What are the risks of your MPF investment?

Investment involves risks. Please refer to the **MPF scheme brochure for the Scheme** - Risk Factors Section for details of the risk factors to which the funds are exposed, which is available via the QR code:

(MPFSB)-E

A risk class is assigned to each fund with reference to a seven-point risk classification scale based on the latest fund risk indicator of the fund. A fund in a higher risk class tends to show a greater volatility of return than a low-risk class fund. Information about the latest risk class of each fund is set out in the latest fund fact sheet (FFS) of **the Scheme**, which is available via the QR code:

How to transfer your MPF?

If you are an employee, you may opt to transfer your MPF derived from employee mandatory contributions in your contribution account under current employment (Original Scheme) to any other MPF schemes of your choice (New Scheme) once a year⁽¹⁾. If your transfer involves selling your interests in a guaranteed fund (i.e. the Manulife MPF Interest Fund or the Manulife MPF Stable Fund under the Scheme), please check with us the terms and conditions of this fund as failure to fulfil some qualifying conditions may cause the loss of guaranteed returns. In respect of Manulife MPF Stable Fund, failure to fulfil some qualifying conditions may cause the loss of guaranteed returns. Your contribution account under current employment may consist of different parts of MPF derived from different sources and subject to different transfer rules, as follows:

Parts of MPF in a contribution account (i.e. Types of contributions that the MPF are derived from)	Transfer rule	Type of account receiving the MPF
Contributions from current employment		
Employer mandatory contributions	Not transferable	-
Employee mandatory contributions	Transferable once every calendar year ⁽¹⁾	Personal account
Employer voluntary contributions	Subject to the governing rules of the Original Scheme	
Employee voluntary contributions		
Contributions from former employment		
Mandatory contributions transferred to the contribution account under current employment	Transferable at any time	Personal account or other contribution accounts ⁽²⁾
Voluntary contributions transferred to the contribution account under current employment	Subject to the governing rules of the Original Scheme	

If you are a self-employed person or tax deductible voluntary contribution (TVC) or personal account holder, you can transfer your MPF held in your MPF contribution account, personal account or TVC account to any other MPF schemes of your choice at any time.

(1) *Unless the governing rules of the Original Scheme provide for more frequent transfer-out.*

(2) *Only applies to employees with two or more contribution accounts. If an employee is employed by more than one employer at the same time, he/she may have more than one contribution account.*

How to manage your MPF when changing jobs?

You should proactively manage the MPF accumulated during your previous employment in one of the following ways:

Method 1

Transfer the MPF to your “contribution account” opened under your new employment

Method 2

Transfer the MPF to your existing “personal account”

If you do not have any personal accounts, and you are satisfied with the MPF scheme chosen by your former employer, you may consider retaining your MPF in a personal account under the scheme of your previous employment for investment.

Forms for transfer of MPF can be downloaded via the QR code:

When should you adjust your MPF fund choices?

In general, it is a good practice to review your fund choices regularly and adjust your MPF fund choices as you think fit.

How to adjust your MPF fund choices?

You may complete and submit a new investment instruction form to us. If your new investment instructions involve selling your interests in a guaranteed fund (i.e. the Manulife MPF Interest Fund or the Manulife MPF Stable Fund under the Scheme), please check with us the terms and conditions of this fund as failure to fulfil some qualifying conditions may cause the loss of guaranteed returns. In respect of Manulife MPF Stable Fund, failure to fulfil some qualifying conditions may cause the loss of guaranteed returns.

You may submit your new investment instructions to us online directly by logging in to your account via our company's website, mobile app or using interactive voice response system. Alternatively, you may give written instruction using our designated forms and return to us by post/courier or by fax.

Complete and valid investment instructions must be received by Manulife before the cut-off time in order to be processed within the same day. For details, please refer to the **MPF scheme brochure for the Scheme**, which is available via the QR code:

(MPFSB)-E

When can you withdraw your MPF?

Once you reach the age of 65, you can choose to withdraw your MPF, or choose to retain your MPF in the MPF Scheme.

By law you can withdraw your MPF early on the following six grounds:

Early Retirement

Terminal Illness

Permanent
Departure from
Hong Kong

Total Incapacity

Death

Small Balance

If you withdraw your MPF at the age of 65 or 60 upon early retirement, you may choose to withdraw either in one lump sum or by instalments.

The law does not stipulate any deadlines for withdrawing MPF. You should consider your personal needs before making a withdrawal application. If you choose to retain all your MPF in your account, no application is required. Your MPF will continue to be invested in the fund(s) you have selected.

Forms for withdrawal of MPF can be downloaded via the QR code:

If you have any questions relating to withdrawal of MPF, please contact us.
