

Mandatory Provident Fund Schemes Authority (MPFA)

...

【#MPF25 25 years of MPF at a glance】

Launched on 1 December 2000, #MPF has evolved in step with Hong Kong's development. Today, retirement protection coverage for the working population is close to 100%, and this MPF "scoreboard" is more than a collection of figures; it stands as a powerful testament to our shared commitment, perseverance, and determination to build a better future together.

25 YEARS OF MPF

“MPF was launched on 1 December 2000, turning a new page on savings for retirement protection system built by employers and employees together.
Today, nearly 100% of the working population is covered by retirement protection.
This is a testament to the shared commitment of both employers and employees.
Looking ahead, MPF is poised for continual improvement.
Together, let's join hands to build MPF for a **Better** Future.”
