Your MPF contributions

If you are an employee (full time or part-time), both you and your employer are required to make regular MPF contributions for you, based on your “relevant income” as follows:

Monthly Relevant Income*	Mandatory Contribution Amount	
	Employer’s Contributions	Employee’s Contributions
Less than HK\$7,100	Relevant income x 5%	Not required
HK\$7,100 - HK\$30,000	Relevant income x 5%	Relevant income x 5%
More than HK\$30,000	HK\$1,500	HK\$1,500

* Relevant income refers to wages, salaries, leave pay, fees, commissions, bonuses, gratuities, perquisites or allowances, expressed in monetary terms, paid or payable by an employer to an employee, but excludes severance payments or long service payments under the Employment Ordinance.

All contributions are immediately vested in you, except for the MPF derived from the employer’s contributions for offsetting severance payments or long service payments.

If you are self-employed, you are required to make MPF contributions as follows:

Relevant Income		Self-employed Person’s Contributions
Annual	Monthly Average	
Less than HK\$85,200	Less than HK\$7,100	Not required
HK\$85,200 - HK\$360,000	HK\$7,100 - HK\$30,000	Relevant income x 5%
More than HK\$360,000	More than HK\$30,000	HK\$360,000 x 5% = HK\$18,000 per year or HK\$30,000 x 5% = HK\$1,500 per month

Whether you are an employee or self-employed, you may also consider making additional contributions (i.e. Voluntary Contributions, Tax Deductible Voluntary Contributions (TVC) and Special Voluntary Contributions (SVC)) in light of your personal needs.

How to transfer your MPF?

If you are an employee, you may opt to transfer your MPF derived from employee mandatory contributions in your contribution account under current employment (Original Scheme) to any other MPF schemes of your choice (New Scheme) once a year¹. If your transfer involves selling your interests in a guarantee fund in another MPF scheme, please check the terms and conditions of this fund as failure to fulfil some qualifying conditions may cause the loss of guaranteed returns.

Your contribution account under current employment may consist of different parts of MPF derived from different sources and subject to different transfer rules, as follows:

¹ Unless the governing rules of the Original Scheme provide for more frequent transfer-out.

² Only applies to employees with two or more contribution accounts. If an employee is employed by more than one employer at the same time, he/ she may have more than one contribution account.

How to manage your MPF when changing jobs?

You should proactively manage the MPF accumulated during your previous employment in one of the following ways:

Method 1

Transfer the MPF to your **“contribution account”** opened under your new employment

Method 2

Transfer the MPF to your existing **“personal account”**

- If you do not have any personal accounts, and you are satisfied with the MPF scheme chosen by your former employer, you may consider retaining your MPF in a personal account under the scheme of your previous employment for investment.
- Upon cessation of your employment, in the absence of your election on which method you would choose to transfer your MPF from such employment, your MPF from such employment are automatically transferred to a personal account under Principal MPF Scheme Series 800 upon the expiry of the three month’s period after we have been notified of the termination of your employment.
- Forms for transfer of MPF can be downloaded via the link: principal.com.hk/resources/downloads
- If you have any questions relating to transfer of MPF, please contact our customer service hotline at 2827-1233 or visit our website at principal.com.hk.
