- 1.2 This MOU applies in connection with the statutory regime in Part IVA of the Ordinance which took effect on 1 November 2012.
- 1.3 The MOU signed on 1 January 2004 by the IA, SFC, MA and MPFA continues to apply only to the handling of complaints (including referral, investigation, enforcement, and monitoring the investigation and enforcement thereof) concerning the conduct of MPF intermediaries prior to 1 November 2012, and ceased to apply to all other matters with effect from 1 November 2012.

2. PRINCIPLES AND INTERPRETATION

- 2.1 This MOU sets out certain administrative and operational arrangements among the four regulators regarding the exercise of their respective functions under the Ordinance concerning the regulation of regulated persons.
- 2.2 Subject to applicable laws and the FRs’ respective regulatory regimes, this MOU is one of various measures for ensuring, as far as possible, regulatory consistency and a level playing field in the regulation of regulated persons by the four regulators.
- 2.3 The FRs will use their best endeavours to follow the arrangements set out in this MOU in a manner consistent with their respective regulatory regimes, in recognition of the institution-based approach which has been adopted for the regulation of regulated persons.
- 2.4 This MOU is subject to, and does not modify or replace, any applicable laws, rules and regulatory requirements and does not create any rights enforceable by the parties or by any third party.
- 2.5 Unless otherwise specified, the following abbreviations are used in this MOU:

3. THE FUNCTIONS OF EACH REGULATOR UNDER THE ORDINANCE

3.1 The MPFA is responsible for ensuring compliance with the Ordinance and for regulating sales and marketing activities, and the giving of advice, in relation to registered schemes. Under Part IVA of the Ordinance, the MPFA has authority to register regulated persons and to approve ROs, to specify continuing training requirements for SIs who are individuals, and to take enforcement action. Under section 6H of the Ordinance, the MPFA may issue guidelines for the guidance of regulated persons and other persons concerned with the Ordinance. In addition, the MPFA will handle, co-ordinate or monitor (as the case may be) the receipt and handling of complaints relating to sales and marketing activities, and the giving of advice, as regulated under Part IVA of the Ordinance.

Performance requirements for regulated persons and former regulated persons

3.2 For the purpose of monitoring compliance with the performance requirements, the powers of inspection of regulated persons or former regulated persons under the Ordinance are vested in the FRs (or the relevant IRs in the case of former regulated persons). The FRs (or the relevant IRs in the case of former regulated persons) are also vested with investigation powers under the Ordinance in respect of suspected non-compliance with the performance requirements by regulated persons or former regulated persons whereas the MPFA has the power to impose disciplinary orders for breaches of the performance requirements under Part IVA of the Ordinance.

Section 34L prohibition

3.3 For the purpose of ensuring compliance with the prohibition in section 34L, the MPFA is vested with investigation powers, and may also nominate an IR to assist the MPFA in the investigation.

4. REGISTRATION AND APPROVAL

- 4.1 The MPFA may register a person as a PI or SI pursuant to section 34T or 34U of the Ordinance if it is satisfied, inter alia, that the person, within one year immediately before the date of application, has not had any qualification as a Type A / B regulatee revoked on disciplinary grounds. The MPFA also has to be satisfied that the person does not have any qualification as a Type A / B regulatee suspended. In addition, the registration of a PI may be revoked or suspended if the person ceases to be a Type A regulatee or has any qualification as a Type A regulatee suspended pursuant to section 34ZC of the Ordinance. The approval of the attachment of an SI to a PI may be revoked or suspended if the person ceases to be a Type B regulatee or has any qualification as Type B regulatee suspended pursuant to section 34ZF of the Ordinance. For these purposes and subject to applicable laws and their respective regulatory regimes, the IRs will submit a list of their regulatees who have had their qualification as Type A / B regulatees revoked on disciplinary grounds and / or suspended within the meaning of sections 34J and 34K of the Ordinance, to the MPFA as soon as practicable whenever such event occurs.
- 4.2 The MPFA may impose conditions on registration of a person as PI or SI, on approval of the attachment of a person to a PI, and on approval of an individual as an RO of a PI, and amend or revoke any such conditions imposed, pursuant to section 34X of the Ordinance. The MPFA will consult the FR, or the IR to be assigned as the FR of the PI, SI or RO, as the case may be, before imposing any such conditions, or amending or revoking any such conditions imposed. The MPFA will also notify the relevant FR or IR, as the case may be, of the conditions imposed, amended or revoked.
- 4.3 The MPFA will as soon as practicable inform the relevant FRs of (i) any revocation or suspension of registration of a PI, (ii) any revocation or suspension of approval of attachment of a person to a PI, (iii) any revocation or suspension of registration of an SI, and (iv) any revocation or suspension of approval of an individual as an RO of a PI, under Part IVA of the Ordinance.

5. ASSIGNMENT OF FRs

- 5.1 As soon as practicable after the MPFA registers a person as a PI, the MPFA is required to assign an IR as the FR of that person in accordance with section 34Z of the Ordinance. The MPFA must assign the FR of a PI as the FR of (i) the SIs attached to that PI, and (ii) the RO of that PI in accordance with sections 34ZA and 34ZB of the

Ordinance.

- 5.2 Where applicable, for complying with sections 34Z(5)(b) or 34Z(6)(b), the MPFA will discuss with the relevant IRs of a PI the business activities carried on by the PI as a Type A regulatee before exercising its power to assign (or if applicable, replace) a particular IR as the FR of the PI.
- 5.3 The MPFA will provide the FRs with the relevant information on the PIs, SIs and ROs assigned to them on a regular basis after an assignment, and also of any replacement or cessation of the assignment.

6. CONTINUING TRAINING REQUIREMENTS

- 6.1 The MPFA is responsible for reviewing and monitoring the compliance by individuals who are SIs with the continuing training requirements specified under section 34ZP of the Ordinance.
- 6.2 The MPFA will share with the relevant FRs on a regular basis information relating to non-compliance with the continuing training requirements by SIs for their information.

7. INSPECTION

- 7.1 An FR (or the relevant IR in the case of a former regulated person) may exercise the inspection powers in relation to compliance with the performance requirements pursuant to Division 7 of Part IVA of the Ordinance in ascertaining whether or not a regulated person (or if applicable, a former regulated person) has or has not complied, is or is not complying, or is likely or unlikely to be able to comply, with the performance requirements.
- 7.2 The MPFA will identify any trends or other issues of common interest regarding compliance by regulated persons or former regulated persons with the performance requirements from sources such as the register of complaints and enforcement cases. The MPFA will inform the FRs (or the relevant IRs in the case of former regulated persons) of these issues on a regular basis for the purpose of the exercise of their inspection powers.

- 7.3 The parties accept that each has its own internal practices and procedures in their inspection activities which will be followed in performing their roles under the Ordinance. Notwithstanding this, the parties agree to follow the principles contained in paragraph 2 of this MOU. Subject to applicable laws and their respective regulatory regimes and where appropriate, the parties will share with the MPFA information on their inspection practices and experiences under the Ordinance.
- 7.4 For the purpose of ensuring regulatory consistency and a level playing field, the MPFA may share with the FRs general matters of common interest regarding compliance by regulated persons with the performance requirements.

8. COMPLAINT HANDLING

Register of complaints

- 8.1 The MPFA will maintain a register of all complaints lodged with the MPFA and the IRs relating to contravention of the prohibition in section 34L of the Ordinance and non-compliance with the performance requirements. The MPFA will log on the register all such complaints received by the MPFA and the IRs. The IRs will inform the MPFA of any such complaints they receive for the MPFA to log on the register.

Performance requirements for regulated persons and former regulated persons

- 8.2 An FR (or the relevant IR in the case of a former regulated person) will handle all complaints related to alleged non-compliance with the performance requirements by a regulated person of which it is the FR (or by a former regulated person of which it was formerly the FR). Upon receipt of such a complaint by the MPFA, the MPFA will refer the complaint to the FR of the regulated person, or the IR of the former regulated person, to consider initiating an investigation under section 34ZT or 34ZV of the Ordinance respectively. For the avoidance of doubt, the MPFA will, where appropriate, handle communication with complainants making complaints against SFC's intermediaries (who are or were MPF regulated persons) on the intermediaries' alleged non-compliance with the performance requirements.
- 8.3 If the FR or IR decides not to initiate an investigation under section 34ZT or 34ZV of the Ordinance respectively, it will inform the MPFA in accordance with paragraph 9.2.

- 8.4 If the FR or IR decides to initiate an investigation under section 34ZT or 34ZV of the Ordinance respectively, it will inform the MPFA in accordance with paragraph 9.3.

Section 34L prohibition

- 8.5 The MPFA will handle all complaints related to alleged contravention of the prohibitions in section 34L subject to paragraphs 9.7 and 9.8. Upon receipt of such a complaint by an IR, the IR will refer it to the MPFA for the latter to handle and consider initiating an investigation under the Ordinance.

9. INVESTIGATION

Performance requirements for regulated persons and former regulated persons

- 9.1 If an FR of a regulated person has reasonable cause to believe that the regulated person may have failed to comply with a performance requirement, the FR may investigate the failure, or whether there has been such a failure, pursuant to section 34ZT of the Ordinance. Where the person was a regulated person of which an IR was formerly its FR, the IR may investigate a failure occurring at any time during the period when the IR was the FR of the person, or whether or not there has been such a failure, pursuant to section 34ZV of the Ordinance.
- 9.2 If an FR (which in paragraphs 9.2 to 9.6 also refers to an IR where section 34ZV of the Ordinance applies) decides not to exercise its investigation powers under the Ordinance to investigate, nor to direct a prescribed person to investigate with investigation powers under the Ordinance, a case referred to the FR by the MPFA, the FR will inform the MPFA in writing of its decision as soon as practicable after making the decision.
- 9.3 If an FR decides to exercise its investigation powers under the Ordinance, regardless of whether the case is referred to the FR by the MPFA or not, the FR will inform the MPFA in writing of its decision to investigate as soon as practicable after making the decision. The FR will also inform the MPFA of the completion of an investigation under the Ordinance.
- 9.4 Following commencement of an investigation under the Ordinance, the FR will update the MPFA on the progress of the investigation on a regular basis.

- 9.6 Pursuant to section 34ZT(3) of the Ordinance, before an FR, or a prescribed person directed by an FR, imposes a requirement under section 34ZU on another person who is a Type A or Type B regulatee of an IR that is not the FR, the FR or the prescribed person so directed must consult the IR. For this purpose, the FR or the prescribed person so directed will provide sufficient information to the IR to be consulted to enable the latter to form an informed view. The IR being consulted will provide any comments on the proposed imposition of the requirement as soon as practicable after receiving the information.

Section 34L prohibition

- 9.7 If the MPFA has reasonable cause to believe that a person may have contravened the prohibition in section 34L of the Ordinance, the MPFA may exercise its investigation power in section 34O of the Ordinance for the purpose of investigating the contravention, or whether or not there has been such a contravention, or direct a person employed by the MPFA to do so. The MPFA may also nominate an IR to assist the MPFA in the investigation pursuant to section 34O(1)(b) of the Ordinance.
- 9.8 If the subject of a complaint related to alleged contravention of the prohibition in section 34L is a regulatee of one IR only, the MPFA will, in general, nominate that IR to assist in the investigation. The MPFA will consult the IR before the nomination. If the MPFA nominates an IR, the IR will assist in the investigation.
- 9.9 The nominated IR will update the MPFA on the progress of its assistance in the investigation on a regular basis.
- 9.10 Pursuant to section 34O(4) of the Ordinance, before the MPFA, or a person directed by the MPFA, imposes a requirement under section 34P on another person who is a Type A or Type B regulatee of an IR, the MPFA or the person so directed must consult the IR. For this purpose, before the MPFA or a person directed by it exercises an investigation power, with or without an IR being nominated to assist in investigation, the MPFA or the person so directed will provide sufficient information to the IR to be consulted to enable the latter to form an informed view. The IR being

consulted will provide any comments on the proposed imposition of the requirement as soon as practicable after receiving the information.

- 9.11 Pursuant to section 34O(5) of the Ordinance, before an IR, or a prescribed person directed by an IR, imposes a requirement under section 34P on another person who is a Type A or Type B regulatee of another IR, the IR or the prescribed person so directed must consult the other IR. For this purpose, the nominated IR or the prescribed person so directed will provide sufficient information to the other IR to be consulted to enable the latter to form an informed view. The IR being consulted will provide any comments on the proposed imposition of the requirement as soon as practicable after receiving the information.
- 9.12 Upon completion of its assistance in the investigation by the nominated IR, the nominated IR will, subject to applicable laws and its regulatory regime, disclose to the MPFA information obtained from the assistance in the investigation by it or by a prescribed person directed by it to assist in the investigation under the Ordinance.
