

預設投資 DIS

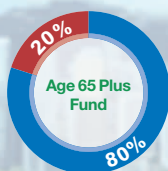

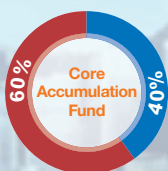

The Default Investment Strategy (“DIS”) will be launched on 1 April 2017. The DIS involves changes to the MPF legislation, which may affect your MPF account. Please read the notice sent by your trustee carefully.

The DIS:

Is **1** Ready-made Investment Solution

Uses **2** Constituent Funds

■ Lower risk investment ■ Higher risk investment

Has **3** Key Features

- Automatic reduction of investment risk according to members' age
- Fee caps
 - Management fees: 0.75% maximum
 - Recurrent out-of-pocket expenses: 0.2% maximum
- Globally diversified investment
