

# MPF Industry Schemes Committee

Industry schemes are special MPF schemes set up for casual employees of the catering and construction industries. The MPF Industry Schemes Committee (ISC) is established pursuant to the MPFSO to monitor the effectiveness of industry schemes and to advise on ways to improve the administration and operation of the schemes in the interests of scheme members. The ISC consists of a chairman, at least one (but no more than two) representative(s) of the approved trustee of each industry scheme nominated by that trustee, and not fewer than six other persons. All members are appointed by the Financial Secretary of the HKSAR. In addition, an executive director of the MPFA is designated by the MPFA to serve on the ISC.

Mr Valiant Cheung Wai-lam, who had served on the ISC since its establishment in August 2000, passed away in March 2006. The MPFA is deeply saddened by the loss of Mr Cheung and greatly appreciates his invaluable contributions during his tenure.

During the year, the ISC held four meetings. It received reports of the MPFA and the approved trustees on the enrolment, administration, enforcement and publicity matters of the industry schemes, and monitored and advised on the operational aspects of the construction and catering industries with a view to fostering support and enhancing compliance. The average attendance rate of members was 79%.
