

MANDATORY PROVIDENT FUND SCHEMES AUTHORITY

IV.21 Guidelines on Unclaimed Benefits

INTRODUCTION

Sections 170 to 172A of the Mandatory Provident Fund Schemes (General) Regulation (“the Regulation”) provide that the approved trustee of a registered scheme must take the steps as specified by the Mandatory Provident Fund Schemes Authority (“the Authority”) under different circumstances where scheme members are entitled to be paid their accrued benefits but cannot be located. Section 172B of the Regulation also requires the approved trustee to report any newly identified unclaimed benefits and those unclaimed benefits that have been claimed by scheme members to the Authority on a quarterly basis for the Authority to maintain a register of unclaimed benefits.

2. Section 6H of the Mandatory Provident Fund Schemes Ordinance (“the Ordinance”) provides that the Authority may issue guidelines for the guidance of approved trustees, service providers, participating employers and their employees, self-employed persons, regulated persons and other persons concerned with the Ordinance.

3. The Authority hereby issues guidelines to prescribe the steps to be taken by approved trustees before the benefits are classified as unclaimed benefits, the information relating to unclaimed benefits to be submitted quarterly to the Authority, the format of submission and the specified period for the purposes of section 171(4) of the Regulation.

EFFECTIVE DATE

4. These revised Guidelines (Version 3 – March 2017) shall become effective on the date of commencement of operation of the Mandatory Provident Fund Schemes (Amendment) Ordinance 2016 (i.e. 1 April 2017). The previous version of these Guidelines (Version 2 – July 2008) shall be superseded on that day.

STEPS TO BE TAKEN BY THE APPROVED TRUSTEE TO LOCATE THE SCHEME MEMBER OR CLAIMANT

5. Section 170(1) of the Regulation provides that if a member of a registered scheme or some other person has become entitled to be paid the member's accrued benefits but no claim has been lodged with the approved trustee of the scheme for payment of the member's benefits and the trustee becomes aware that the member or other person cannot be located, the trustee must, as soon as practicable after becoming so aware, take such steps as are specified in the guidelines.

6. Section 171(1) and (2) of the Regulation also provides that where a member of a registered scheme or some other person has lodged a claim with the approved trustee of the scheme for payment of the member's accrued benefits and the trustee is satisfied that the member or other person is entitled to be paid the benefits but the trustee becomes aware that the claimant cannot be located before payment of the benefits, the trustee must, as soon as practicable after becoming so aware, take such steps as are specified in the guidelines.

7. Section 172A(1) of the Regulation stipulates that if the approved trustee of a registered scheme becomes aware that a scheme member on whom a benefit statement has been served under section 172(4) cannot be located while the member's accrued benefits are being retained in the scheme, the

trustee must, as soon as practicable after becoming so aware, take such steps as are specified in the guidelines.

8. If the trustee cannot locate the member or other person within 6 months after taking the specified steps, the accrued benefits in any of the circumstances referred to in paragraph 5, 6 or 7 would become unclaimed benefits at the end of that period.

9. For the purposes of sections 170(1), 171(2) and 172A(1) of the Regulation, the steps* to be taken by approved trustees before they can classify the accrued benefits of a scheme member as unclaimed benefits are set out as follows:

- i. Send the scheme member/person a notice to the last known residential and correspondence address(es), if available;
- ii. Make 3 attempts (at different times and dates) within 1 month, to locate the scheme member/person via other means of contact, if known (e.g. all contact phone number(s) or fax); and
- iii. Contact the employer concerned to obtain any contact information of the scheme member and if the contact information so obtained is different from that in the records of the trustee, repeat steps (i) and (ii) above (as the case may be).

* Apart from the steps specified above, trustees are encouraged, as far as reasonable, to use any possible communication means to contact the claimant.

PERIOD FOR A CHEQUE TO BE EXPIRED

10. Section 171(4) of the Regulation provides that if a cheque has been sent by the approved trustee to a claimant in payment of a scheme member's accrued benefits but the cheque is not presented for payment within the period

specified in the guidelines (“Specified Period”) and the trustee is not able to locate the claimant during the period of 6 months after the expiry of the Specified Period, the benefits become unclaimed benefits at the end of the 6-month period.

11. For the purpose of section 171(4) of the Regulation, the Specified Period shall be 6 months from the issuance date of the cheque. However, if the trustee receives a returned cheque before the expiry of the Specified Period, the trustee should take immediate follow-up actions to locate the claimant.
