Q1: -

Q1 Comment / 意見: Generally, i support the introduction of Core fund however there should have more coverage on investment return like beating inflation.

Q2: -

Q2 Comment / 意見: While the core funds offered by all financial institution should provide a guarantee to beat inflation, i think each providers should be allowed to have difference so their are competition to generate alpha return.

Q3: -

Q3 Comment / 意見: Same as Q2. Generally yes but should allow providers to have competition and generate alpha return.

Q4: -

Q4 Comment / 意見: It should be more forward looking and the core fund to also consider till age 100 as this is a trend of life expectancy.
