DIS Kitchen

The MPF Default Investment Strategy (DIS)
is a new choice tailored for
retirement investment

Chef Kitty presents 3 new dishes introducing 3 key features of the DIS:

1. "Auto-served Dumpling"- Automatic reduction of investment risk as you approach retirement age
2. "Thin-sliced Tofu"- A 0.95% cap per annum on management fees and recurrent expenses
3. "Global Gourmet Mix"- Global investment for risk diversification

Don't miss this series - watch it now!

Check it out on the on  YouTube to see how chef Kitty makes these delicious new dishes.
