

MANDATORY PROVIDENT FUND SCHEMES AUTHORITY

II.5 Guidelines on Annual Statements of Approved Pooled Investment Funds

INTRODUCTION

Section 6 of Schedule 1 to the Mandatory Provident Fund Schemes (General) Regulation (“the Regulation”) provides that the funds of a constituent fund of a registered scheme may invest in an approved pooled investment fund (“APIF”).

2. Section 6(1) of the Regulation provides that an investment fund is an APIF for the purposes of the Regulation if it is an insurance policy, authorized unit trust or authorized mutual fund¹ that

- (a) complies with the requirements set out in section 17(2) of Schedule 1 to the Regulation; and
- (b) is approved by the Mandatory Provident Fund Schemes Authority (“the Authority”).

3. Section 17(2)(h) of Schedule 1 to the Regulation stipulates that the financial statements, investment reports and auditor’s reports of an APIF must be lodged with the Authority and additional information relating to those statements and reports must be provided to the Authority whenever the Authority requests.

¹ The existing law does not permit the incorporation of mutual fund corporations in Hong Kong. The Guidelines issued therefore refer only to insurance policies and authorized unit trusts.

4. C2.2 and D2.2 of the Code on MPF Investment Funds provides that the reporting requirements specified in sections 81, 87, 102 and 110 of the Regulation are relevant to an APIF. Those sections specify the requirements on financial statement, investment report, auditor's report and other information to be included in the annual statements of a registered scheme.

5. Section 6H(1) of the Mandatory Provident Fund Schemes Ordinance ("the Ordinance") provides that the Authority may issue guidelines for the guidance of approved trustees, service providers, participating employers and their employees, self-employed persons, regulated persons and other persons concerned with the Ordinance.

6. Section 6H(3) of the Ordinance provides that a guideline may require persons (including persons belonging to a class) specified in the guideline to give to the Authority information or documents of a kind specified in the guideline. The guideline may only specify information or documents of a kind that the Authority reasonably requires for the exercise or performance of its functions.

7. The Authority hereby issues guidelines to specify the information to be submitted in respect of the annual statements of APIFs, and where applicable, additional information relating to those statements, including the appointed actuary's report for APIFs that are Class G insurance policies. These guidelines also specify the means by which the annual statements and accompanying documents should be submitted to the Authority.

EFFECTIVE DATE

8. These revised Guidelines (Version 7 – February 2016) shall become effective on 22 February 2016. The previous version of these Guidelines (Version 6 – August 2008) shall be superseded on that day.
